

# Multi-Factor Authentication (MFA) Login Instructions

## Initial MFA Setup & Login:

### STEP 1

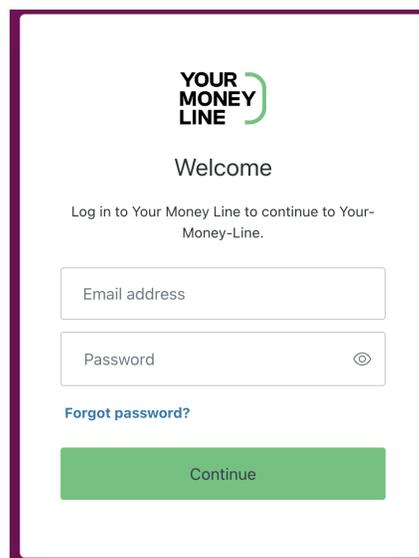

After you complete the YML account registration process, click the "Log In" button. (For questions about your organization's personalized registration link and instructions, please reach out to your HR team).

You can access the Login Page with the following link: [yourmoneyline.com/login](https://yourmoneyline.com/login)

### STEP 2

Enter your email and password in the designated fields

### STEP 3

After successfully entering your credentials, a prompt will appear requesting you to provide a mobile number. Enter your mobile number and click the “Continue” button to generate your 6-digit authentication code. The single-use code will be sent to the provided mobile number.

**Congratulations! You've successfully completed the MFA setup process.** Remember that for all future logins, you will only need to enter the MFA code immediately after your email and password. Your account is now more secure with an added layer of authentication.

## Post-MFA Setup Login:

Please note that after completing the initial MFA setup, all subsequent logins will immediately be prompted to enter the SMS code upon entering your username & password on the [Login Page](#).

### STEP 1

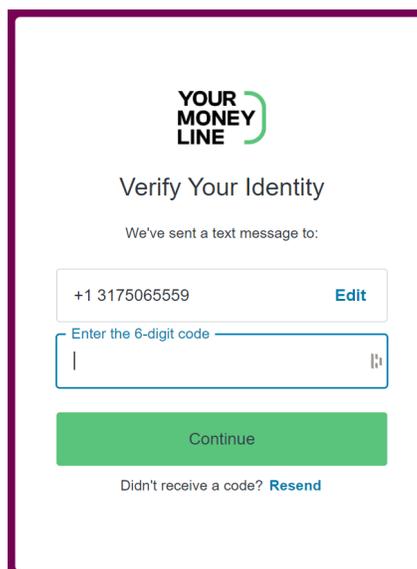

Log into your account for the Your Money Line Dashboard.

The screenshot shows the login page for Your Money Line. At the top is the logo. Below it is the heading "Welcome" and a sub-heading "Log in to Your Money Line to continue to Your-Money-Line.". There are two input fields: "Email address" and "Password" (with an eye icon for visibility). Below the password field is a link for "Forgot password?". At the bottom is a green "Continue" button.

### STEP 2

Upon logging in, you will automatically receive a verification code via SMS. Input the code in the provided field. That's it! You'll be in your account.

The screenshot shows the verification page for Your Money Line. At the top is the logo. Below it is the heading "Verify Your Identity" and a sub-heading "We've sent a text message to:". There is a field for the phone number, currently showing "+1 3175065559" with an "Edit" link. Below that is a field for the "6-digit code" with a vertical cursor. At the bottom is a green "Continue" button. Below the button is a link for "Didn't receive a code? Resend".
