

**STABILITY
ACADEMY**

A comprehensive program to improve your financial stability

Stability Academy, provided by Your Money Line, is a holistic program that guides you through common money challenges in order to help you live a more happy and financial life.

How does Stability Academy Work?

1. Take our Stability Assessment to review your financial stability
2. Get your Stability Index Score and Personal Stability Plan
3. Register for the monthly pep rally webinars to learn and improve
4. Use unlimited coaching from our trained, certified financial experts
5. We'll be there to help (and celebrate) as your stability grows!

Why use Stability Academy?

Stability Academy is designed to improve financial stability in a measurable and meaningful way. Based on your Stability Index Score, you'll receive a customized plan, 1:1 coaching, and access to a live, interactive pep rally each month. The pep rallies are upbeat, lighthearted, and will help you along the way to stability. And you can rest easy with 100% confidentiality—we won't share any personal details with your employer.

Financial stability is attainable for all. We'll show you how.
